**Asia**

---

Content from **News Bites Pty Ltd** covering Asia is now available comprehensive country specific files, making it easier for customers to find the specific country they're looking for. All content will still be available in the News Bites Asian Markets file too, for customers looking to search across all countries at one time.

The new groups are:

News Bites Asian Market – Bangladesh  
News Bites Asian Market - China  
News Bites Asian Market - Hong Kong  
News Bites Asian Market - Indonesia  
News Bites Asian Market - Japan  
News Bites Asian Market - Malaysia  
News Bites Asian Market - Nepal  
News Bites Asian Market - New Zealand  
News Bites Asian Market - Pakistan  
News Bites Asian Market - Philippines  
News Bites Asian Market – Singapore  
News Bites Asian Market - South Korea  
News Bites Asian Market - Sri Lanka  
News Bites Asian Market - Taiwan  
News Bites Asian Market - Thailand  
News Bites Asian Market – Vietnam

These files cover the stock exchanges in each of the respective countries and contain four types of stories: market reports, sector reports, stock reports and results.

- Market Reports: Stock Exchange Markets, by index and sector, to identify price and trading volume changes, including bullish and bearish signals and market action tables.
- Sector Reports: Sectors that have been markedly active in the day, by price, volume and value changes.
- Stock Reports: Stocks that have been markedly active in the day, by price, volume and value changes, substantial shareholder changes and directors dealings.
- Results: Tabulated financial reports showing Asian stock exchange-listed companies' seasonal monthly, quarterly, half-year and full-year financial results, including a two-year comparison of selected variables for half-year and full-year results.

## Australia

---

**PUBLISHER:** Fairfax Media

**PUBLICATION INCLUDED:** Stock & Land

**Stock & Land**, a leading southern weekly rural newspaper, caters primarily for livestock and cropping farmers who derive most of their income from agriculture. Founded in 1914, it is distributed across Victoria, southern NSW, south eastern South Australia and Tasmania.

Stock & Land is also required reading for those who service the farming community like livestock agents, agronomists, machinery dealerships, educational institutions, government agencies, consultants and agribusiness company representatives.

Its coverage of the stud and commercial beef and sheep industries is unparalleled throughout southern Australia.

**PUBLISHER:** APN Australian Publishing

**PUBLICATION INCLUDED:** Whitsunday Coast Guardian (Australia)

The **Whitsunday Coast Guardian** is a weekly publication that has been serving the Proserpine, Queensland district and surrounding areas for many years.

## France

---

**PUBLISHER:** AUDIOVISUEL BUSINESS SYSTEM MEDIA

**PUBLICATION INCLUDED:** La Lettre de l'Audiovisuel

**La Lettre de l'Audiovisuel** is a leading newsletter in media and new technologies information. It contains French and international news, interviews and portraits and exclusive information. It also releases two special edition issues per year.

## International

---

**PUBLISHER:** Portuguese Independent News Network

**PUBLICATION INCLUDED:** Portuguese Independent News Network

**Portuguese Independent News Network** provides news for the Portuguese speaking community worldwide, with a particular aim at Angola, Brasil, Cape-Verde, Guinea-Bissau, Mozambique, Portugal, São Tomé e Príncipe and Timor-Leste where we have correspondents. PINN also carries information in Spanish directed at the Latin American countries (specially Venezuela, Argentina, Bolivia, Chile, Colombia, Equador). Also available online is **Portuguese Independent News Network (Spanish)** which carries information in Spanish directed at the Latin American countries (specially Venezuela, Argentina, Bolivia, Chile, Colombia, Equador).

**PUBLISHER:** Business Monitor International

**PUBLICATION INCLUDED:** BMI Medical Devices Report

**BMI Medical Devices Report** features market forecasts supported by trade, production and healthcare estimates by Espicom, a Business Monitor International (BMI) company. These forecasts and estimates focus on six product areas: Consumables, Diagnostic Imaging, Dental Products, Orthopaedics & Prosthetics, Patient Aids and Other Medical Devices.

These reports combine macroeconomic forecasts with industry specific analysis to produce quarterly reports covering economic and political outlooks, 5 and 10-year industry forecasts, regulatory regimes, competitive landscapes and industry trends.

They contain developments including market forecast trends, monthly and annual trade performance, healthcare reforms, government investment programs, regulatory developments, production changes, leading national and multinational manufacturers and competitive strategies.

These reports include the following:

- BMI Industry View
- SWOT
- Industry Forecasts
- Product Areas
- Macroeconomic Forecasts
- Industry Risk Rewards Rankings
- Market Overview
- Industry Trends & Developments
- Regulatory Developments
- Competitive Landscape

Countries covered include: France, Germany, Netherlands, Poland, Russia, Ukraine, UK, China, Hong Kong, India, Japan, Singapore, South Africa, Brazil and Turkey.

**PROVIDER:** Al Bawaba Middle East Limited

**PUBLICATION INCLUDED:** Governance, Risk & Compliance Monitor Worldwide

**Governance, Risk & Compliance Monitor Worldwide** is a subscription based publication, aimed to reveal hidden risks in both business relationships and human networks from worldwide jurisdictions. Governance, Risk & Compliance (GRC) Monitor Worldwide covers news, analysis pieces, legal updates, whitepapers and special reports, focused on anti-money laundering (AML), know your customer (KYC), bribery and corruption, terrorism and organized crime, compliance training, conduct risk, corporate governance, Foreign Account Tax Compliance Act (FATCA) compliance, internal controls, policy management, risk management, SEC filing etc., plus sanctions, watch and regulatory news and much more. Governance, Risk & Compliance Monitor Worldwide is updated daily and draws on information from worldwide sources, always quoting and accrediting the original information source within its reporting.

## UK

---

**PUBLISHERS:** Associated Newspapers Ltd.

**PUBLICATIONS INCLUDED:** Scottish Daily Mail and Scottish Mail on Sunday

The **Scottish Daily Mail & Scottish Mail on Sunday** are two of Britain's leading tabloids offering in-depth reporting of worldwide news & current affairs with a strong emphasis on UK politics, economics, law & order and defence.

Both the Scottish Daily Mail and Scottish Mail on Sunday have developed a reputation as campaigning newspapers with 'social affairs' and 'human interest' stories frequently featured. Other regular features in the Scottish Daily Mail include the 'Femail' section which reports on women's issues and the 'Money Mail' section which appears every Wednesday offering advice on personal finance and reports on consumer issues and potential investment growth areas.

A wide variety of subject matter is offered from 'hard news' to social comment and lighter issues such as royal and celebrity stories, social gossip, the arts and entertainment, fashion, lifestyle and sport.

### **Change to The Guardian:**

Guardian News and Media Limited has merged their print and online feeds, and all articles will now be pushed through the publication The Guardian (Filename GUARDN). As a result, the separate online only feed of Guardian Unlimited (Filename: GUARDU) has been taken down.

Please note that no content has been removed, and the archive of the online content has been moved across to the remaining file. Customers will now be able to access all of the content (both online and print) within one publication which will provide a simpler search experience for all.
