

LexisNexis Newsdesk® Quick Card: Use Our New Easy Sign-in Link

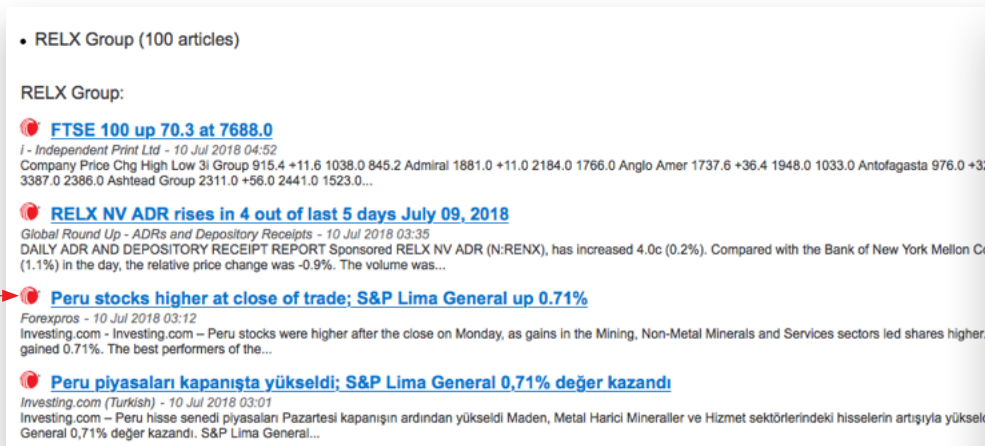

It's easier than ever to access your Newsdesk content by using our new easy sign-in link. Instead of entering your ID and password each time you want to view content, you can simply request access once, and we'll send you the link you need. This saves you time and eliminates the hassle of remembering IDs and passwords—and it's completely secure.

How Does the Sign-in Link Work?

When you make your request for the sign-in link, we will validate that the email address you provide is registered with your Newsdesk account. We will then send an easy sign-in link to that email address. Once you click that link, we will associate your account with the app that opens the easy sign-in link. (Please note you can use this feature on any device—laptop, mobile, tablet, etc.—but you are limited to using Newsdesk on two authenticated apps at one time.)

You can try this new sign-in link yourself!

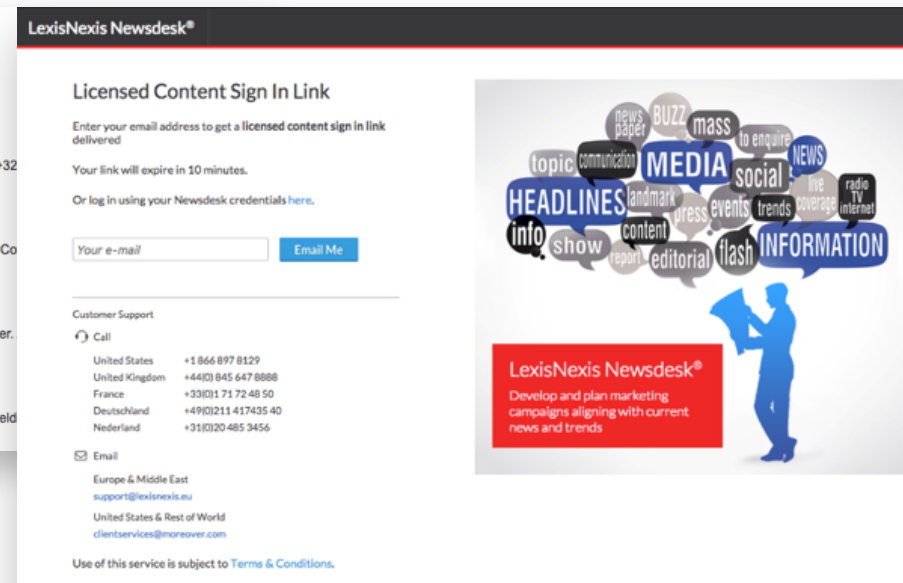

- 1 While viewing your newsletter, **click an article headline**. If you aren't already signed in to LexisNexis Newsdesk, the sign-in page appears.
- 2 **Enter the email address** that's associated with your Newsdesk account.
